Guide for Javier

Javier needs help. This guide will help him make a good breakfast, become a good student, and make friends.

How to make a good breakfast

The key to a good day is starting it off right with a tasty bowl of cereal.

This will tell you how to make a nice bowl of Frosted Flakes

1. Get milk out of refridgerator
2. Get out a bowl
3. Get out the Frosted Flakes
4. Pour Frosted Flakes in the bowl
5. Pour milk in bowl over the Frosted Flakes
6. Eat it with a spoon

How to be a good student

You want to be a good Hokie. That's great. But being a good student usually doesn't mesh well with making friends.

This will tell you how students with a social life study for classes

1. Wait until the night before the quiz/test to study
2. Only study the essentials (main topics)
3. Cram the information in
4. Get about three hours of sleep before the test
5. Dump all of the information that you memorized onto the quiz/test and forget it afterwards

How to make friends

Nobody likes a stinky person. This task is aimed at making sure that you smell good when you introduce people.

The goal is make people notice your incredible scent

1. Brush your teeth. Nobody likes stinky morning breathe.
2. Hop in the shower and use the Old Spice soap/shampoo.
3. Dry off with a towel
4. Put on Old Spice deodorant
5. Get dressed in Virginia Tech clothes
6. Spray a little cologne on your shirt
